Did you know that our club has a ball machine. This machine is available for member use. Thank you to Life Member Geoff Pearce because our members can use this machine without cost. Contact Wayne, Wendy or Merryl if you would like to use the Ball Machine?

Nominations are being called to represent WA at the Tennis Seniors Australia National Carnival in Adelaide, South Australia. Teams events January 5<sup>th</sup> - 10<sup>th</sup> 2025, Individuals January 12<sup>th</sup> to 17<sup>th</sup> 2025.

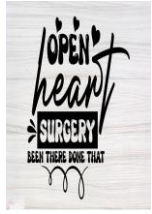

The Carnival consists of friendly but competitive interstate rivalry, with a blend of social engagement.

Rumour has it that our club will be well represented with Merryl, Wendy, Rosa, Vanessa, Katherine, Tracy, Sandy, Leonie, Grace, Paul C, John Mc and Macca all getting their kit together. If you are interested in playing here is the link [ClubSpark / Tennis Seniors South Australia / 2025 Australian Championships](#) or reach out to Merryl and Wendy who will assist

In May, Paul, Jim, Cliff S, Yves, Alex and Russell all travelled to Bomaderry in NSW for the inaugural Intraclub Challenge. The chaps had a terrific time on and off the court, but did not win the “cup”

Our Club will host the rematch March next year and should attract plenty of spectators.

Our Rob Preston aka "Psycho" is recovering from Open Heart Surgery he had late June at the Mount in Perth.

Psycho assures us he is on the mend, however he won't be chasing a tennis ball or taking the court anytime soon. He is not enthralled with taking things slowly, but he is keen to get back to Busso and mingle.

Find your ol' self real soon Psycho, we all wish you well and look forward to seeing you

Needs any used tennis balls. The Club always has plenty of used balls

1. We sell used "doggie" balls for \$1.00 a can
2. We sell used "hit up" balls for \$2.00 a can

If so, see the captains desk, they will be able to set you right

We have the most fabulous facility with very nice furnishings and amenities thanks to a very diligent past and present "steering committee"

It is up to all of us to contribute to the function of our club, please be mindful to make it easier on our volunteers, return your glasses cups and dishes to the Bar and Kitchen, push your chairs back into tables after use, put outside furniture back out of the weather, pick up any rubbish floating around..... It's the small things that make a big difference. Be part of change

Are you thinking you might like to play Pickleball when the weather warms up?

Did you know that Pickleball has an active "WhatsApp" group?

Would you like to join this "WhatsApp" group and keep in touch with what's going on?

If the answer is yes, reach out to Ken and he will help you load "WhatsApp" on you mobile and connect you to the Pickleball group... lets get set for Summer by starting now.

Uncertain... ..don't be...Pickleball is a game for everyone, with all abilities, all equipment is supplied, get in early and beat the rush ...it is the fastest growing sport in America and many other countries!!
